Dharapuram

Projects

Personal Portfolio Website
•Built a professional portfolio to showcase projects and skills
•Deployed using GitHub Pages; implemented clean, responsive UI
•Deployed the website using GitHub Pages to ensure accessibility and easy sharing of professional work.

Bad Bank Application
•Developed a banking app with deposit/withdraw functionality
•Used React.js and Bootstrap for frontend; ensured responsive design

Travel World Website | MERN Stack
•Built a booking platform with destination search and reservation features
•Developed responsive UI using React.js and Bootstrap
•Integrated MongoDB for dynamic data storage

Job Portal (JobNest) | MERN Stack
•Created a portal for students to apply and recruiters to post jobs
•Improved API performance using Node.js and Express.js, reducing response time by 30%.
•Used JWT for secure session management

Certifications

JavaScript Algorithms & Data Structures – FreeCodeCamp (2024)
ES6, OOP, Array Methods, DOM Manipulation

JavaScript Essentials – Open Education & Development Group (2024)
Functions, Async JS, Promises, Loops

Workshops & Training

App Innovation Technologies – Technical Workshop

PARK GLOBAL – HR Proficiency Workshop

Languages

Tamil – Native   **English – Professional Proficiency**

Interests

UI Designing   Travel   Music

Core Strengths
